Annual Report to Parliament

Privacy Act

(April 1, 2019 to March 31, 2020)

Foreword

This Annual Report to Parliament has been prepared in accordance with Section 72 of the *Privacy Act*. It is intended to describe how the Public Sector Pension Investment Board (“PSPIB”) and those of its wholly-owned subsidiaries identified in its delegation order (collectively “**PSP Investments**”) administered its responsibilities in relation to the Act for the reporting period from April 1, 2019 to March 31, 2020. Of note that this Annual Report also covers PSP Investments’ wholly-owned subsidiary Downsview Metro Devco Inc. (“Downsview”), operating under the name of Northcrest Developments in Ontario. As per the Delegation of Authority, Canadian operating wholly-owned subsidiaries with their own heads have a separate Access to Information and Privacy Office. However, PSPIB’s Access to Information and Privacy (ATIP) Coordinator was acting as Downsview’s ATIP Coordinator during the reporting period. As a result, Downsview’s privacy activities for the reporting period are covered in this Annual Report.

Annual Reports are to be tabled in Parliament in accordance with section 72 of the *Privacy Act*.

Mandatory Reporting Requirements

1 Introduction

1.1 Summary

The purpose of the *Privacy Act* is to extend the present laws of Canada that protect the privacy of individuals with respect to their personal information held by a government institution and that provide individuals with a right of access to that information.

1.2 Mandate

The Public Sector Pension Investment Board is a Canadian Crown corporation established to invest the amounts transferred by the Government of Canada equal to the proceeds of the net contributions since April 1, 2000 for the pension plans of the Public Service, the Canadian Forces and the Royal Canadian Mounted Police, and since March 1, 2007 for the Reserve Force Pension Plan (collectively the “Plans”). The amounts so transferred to the Corporation are to fund the liabilities under the Plans for service after the foregoing dates.

Its statutory objects are to manage the funds transferred to it in the best interests of the contributors and beneficiaries under the Plans and to maximize investment returns without undue risk of loss, having regard to the funding, policies and requirements of the Plans and their ability to meet their financial obligations.

2 Structure of the Institution to Fulfill its Responsibilities

4 Performance 2019-2020

4.1 Interpretation of the Statistical Report

Due to the limited number of privacy requests received, no meaningful trends can be identified. Historical data has been compiled in the table below and no clear interpretation can be made from those results. Please note that Downsview has not received any privacy requests to-date. The statistical report is attached.

2020	3	0	0	100%	N/A	0

4.2 Covid-19-Related Measures

There was a slight risk of non-compliance with PSP Investments' statutory deadlines under the *Privacy Act* due to the fact that PSP Investments' offices closed mid-March 2020 and we did not receive our mail on a daily basis. However, to mitigate that risk, the ATIP Office published notices on PSP Investments' website requesting to send all privacy requests via the ATIP Online Request Service. With the exception of the above, the ATIP Office was in the position to work remotely at full capacity without impacting privacy matters. Since Downsview requests would be addressed to PSP Investments' ATIP Coordinator, the same circumstances applied to Downsview.

5 Privacy-Related Training and Awareness

During the reporting period, PSP Investments launched an online privacy training course for all employees which was made available as part of onboarding and to all current PSP Investments employees and staff augment consultants. Additionally, the ATIP Office provided training to the newly hired senior management at Downsview for the purposes of setting up all privacy related matters within the organization.

Downsview has not provided any training or awareness activities during the reporting period.

6 Policies, Guidelines, Procedures and Initiatives

During the reporting period, PSP Investments revised and published its Info Source Chapter to address Treasury Board of Canada Secretariat's recommendations. No other new policies, guidelines, directives or procedures were implemented related to the Act.

Downsview did not implement any new policies, guidelines, directives or procedures related to the Act.

7 Complaints and/or Investigations

PSP Investments and Downview have not received any complaints and/or investigations during this reporting period and no investigations are outstanding.

8 Monitoring Compliance

PSP Investments very rarely receives privacy requests or requests for the correction of personal information. As a result, we have no formal procedure in place to monitor the time to process these requests and the level of officials advised. Nonetheless, an electronic tracking system is in place which includes timely reminders.

Since Downview requests would be addressed to PSP Investments' ATIP Coordinator, the same circumstances applied to Downview.

9 Material Privacy Breaches

During the reporting period, PSP Investments reported one (1) material privacy breach to the Office of the Privacy Commissioner of Canada ("OPC") and Treasury Board of Canada Secretariat ("TBS"). In summary, the ATIP Office was made aware of an internal privacy breach caused by human error in connection with a spreadsheet containing personal information which was sent to an internal distribution list. Once the ATIP Office was alerted, the ATIP Office, in conjunction with the Office of Primary Interest ("OPI"), investigated the privacy breach. Once the ATIP Office concluded it to be material, the ATIP Office reported the material privacy breach via email to the OPC and TBS. PSP Investments has not received a response from either party in connection to this material privacy breach.

Downview has not reported any material privacy breaches to the OPC or TBS during the reporting period.

10 Privacy Impact Assessments

PSP Investments conducted a number of abbreviated Privacy Impact Assessments to evaluate the risks associated with new projects. However, PSP Investments did not conduct any Formal Privacy Impact Assessments which were sent to the OPC and TBS's Privacy Policy Division during this reporting period.

Downview has not conducted any Privacy Impact Assessments during the reporting period.

11 Disclosure of Personal Information

During the reporting period, PSP Investments and Downview did not disclose any personal information pursuant to paragraph 8(2)(m) of the *Privacy Act*.
